Dear Sir:

Answering your letter of September 21:  
we have no catalogue of our Collection of Jewish

of the Collection within a year or so.

One or the other of the medals and coins  
was photographed for the use of the office of the  
Union of American Hebrew Congregations (Merchants  
Building, Cincinnati, Ohio), which office may  
furnish you with copies.

Dear Mr. Anhalt:

The other day Mr. Rush handed me a Lindbergh medal on loan. I shall be very glad to put this in a case for a while. I think I have already sent to Paris for one of these, so eventually we will get one.

Can you tell me the best place in this country to get three-inch pieces of ribbon for our American medals and campaign badges. I have just had an enquiry from Australia.

Very truly yours,

Curator

Dear Mr. Anhalt,

I am in receipt of your letter of 16th ult. and note you are sending me a draft on the Chase National Bank on account of the Bronze Plaques, and I hope in due course to receive same.

I have pleasure in advising you that the 18 Bronze Plaques have already been dispatched to care of the Numismatic Museum at 156th Street and Broadway, New York and I trust they will reach you safely. We are also writing to the Numismatic Museum informing them of this.

I wish to ask you a small favour and that is to kindly speak to the Director of the Numismatic Museum on my behalf with regard to the payment for the collection of the 18 Bronze Plaques which you have seen there which we sold to the Director. We wrote several times direct but somehow failed to receive a reply. If you can get an opportunity to speak to the Director with a view to our obtaining the amount due we shall greatly appreciate it.

With kind regards,

Yours very truly,

(Prof. Boris Schatz)
